Welcome Aboard.

Scotts is here to help you escape for a while. Every drink on this list is poured with the same philosophy that built Scotts: a little indulgence along the way. From small-batch Scottish spirits distilled just along the coast to world-class wines chosen bottle by bottle for the story behind them, nothing here made the cut by accident.

Inside, you'll find pints and cold ciders on tap, spirits worth lingering over, a wine selection that moves from household names to hidden gems, and cocktails that bring together loyal classics and bold new favourites, mixed with care, a flash of flair, and the occasional dash of mischief. Fancy something softer? Our alcohol-free serves and soft drinks have had just as much thought poured into them.

So find your spot and raise a glass. Marking an occasion, catching up with old friends, or simply unwinding after a long week — we've poured plenty of thought into every drop, so all you need to do is enjoy it.

SCOTTS

Beer & Cider

Cold, crisp, and poured without fuss, because the classics don't need dressing up. Home-grown favourites sit alongside continental icons, by the bottle or straight from the tap.
